Mobile Bar Experience

the FLEET

The bar is the place guests gravitate towards, the gathering place that sets the VIBE for the event. We ditched the status quo and redefined the experience in liquid catering services with our custom-built TAP mobile bars and vintage horse trailer mobile bar!

the SERVICES

From craft signature cocktails and mocktails, to slushies, espresso, hot cocoa and iced lattes, to custom designed bar menus and styling the most unique mobile bars around, our all-inclusive luxury service are a must have for all PRIVATE, SOCIAL and CORPORATE events!

the DRINKS

You will have no guilt drinking our thoughtfully curated craft cocktails and mocktails, made with our handmade infused syrups and dehydrated garnishes using locally sourced fresh ingredients. We pride ourselves in a beautiful and tasteful libation!

MORE THAN A LIQUID CATERER
WE ARE AN EXPERIENCE

Bartique is an industry leading woman-owned and operated mobile bar experience, the first unique mobile bar fleet in the DMV! Built on the foundation of our love for craft cocktails, mocktails, coffee, creativity and hospitality, we elevate celebrations with our all-inclusive luxury service, boujee bars, bomb drinks, and stellar bartenders!
